

# CARIBBEAN GROWTH FORUM REGIONAL WORKSHOP *THANK YOU...*

The Government of the Commonwealth of the Bahamas, The Bahamas Investment Authority, the Inter-American Development Bank, Compete Caribbean, the Caribbean Development Bank and The World Bank extend our deepest appreciation for your support and active participation in the Caribbean Growth Forum Regional Workshop held June 24-25, 2013 in The Bahamas.

The country representatives engage in the CGF, together with the regional and international partners, took the opportunity to reaffirm their commitment to work together and take decisions to reinvigorate economic growth, create jobs, ensure shared prosperity, promote a vibrant investment climate, enhance logistics and connectivity, improve skills for jobs and make regional integration serve the needs of the people.

As we move towards the implementation phase, your contributions will again be key to the monitoring and accountability process on reforms. We hope you will remain engaged through your country's national chapter and we encourage you to take part in moving the actions forward!

*We kindly ask you to take this survey to provide us your valuable opinions regarding the CGF so we can improve the process in the future. Kindly respond on or before August 15.*
